

NEW TREES

FOR FORDLANDS ROAD PLAYING FIELD

HELP
WANTED
!!

CALL FOR VOLUNTEER TREE PLANTERS

Come along and help us plant **500 new trees** to help boost biodiversity, combat climate change, reduce flooding and visually improve the landscape at Fordlands Road.

The Woodland Trust will deliver the trees on Friday 31 January so if you have a bit of time over that weekend, whatever your skills or background, however much time you can give, we would love you to join us in helping to make our green spaces better.

Come prepared for the weather on the day and **bring a spade** if you have one (there will be some available for those who don't).

Saturday 1st – Sunday 2nd February
10am – 12 noon each day
