

# Fulford Cemetery Grounds Maintenance Changes From 2025

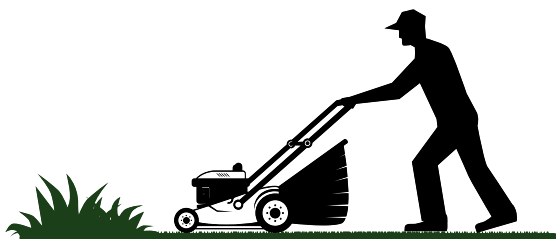

Recent changes in bereavement services choices have caused reduced staffing at Fulford Cemetery and that, together with the Parish Council's commitment to improving biodiversity within the Parish, means that there will be fewer mown areas in the Cemetery grounds from now on.

The Military Area, Children's Area and new graves will continue to be maintained, together with the paths and path edges. The older graves will now be left unmown.

There is a separate Grave Maintenance service available for payment of an annual fee per grave. If you would like to take up this service, please contact [cemetery@fulford-pc.gov.uk](mailto:cemetery@fulford-pc.gov.uk) or call 01904 633151.

**Please do not address any complaints or queries about the grounds to Cemetery staff.**

All enquiries or feedback about the grounds maintenance changes should be sent to:
