# Cost £42.99 or £15.00 from City of York Council Hazel Court

<https://www.york.gov.uk/household-waste/composting/4>

side boards screwed in place on three sides with loose boards at front slipped into position as the box is filled with compost

appx. 1.0m above ground

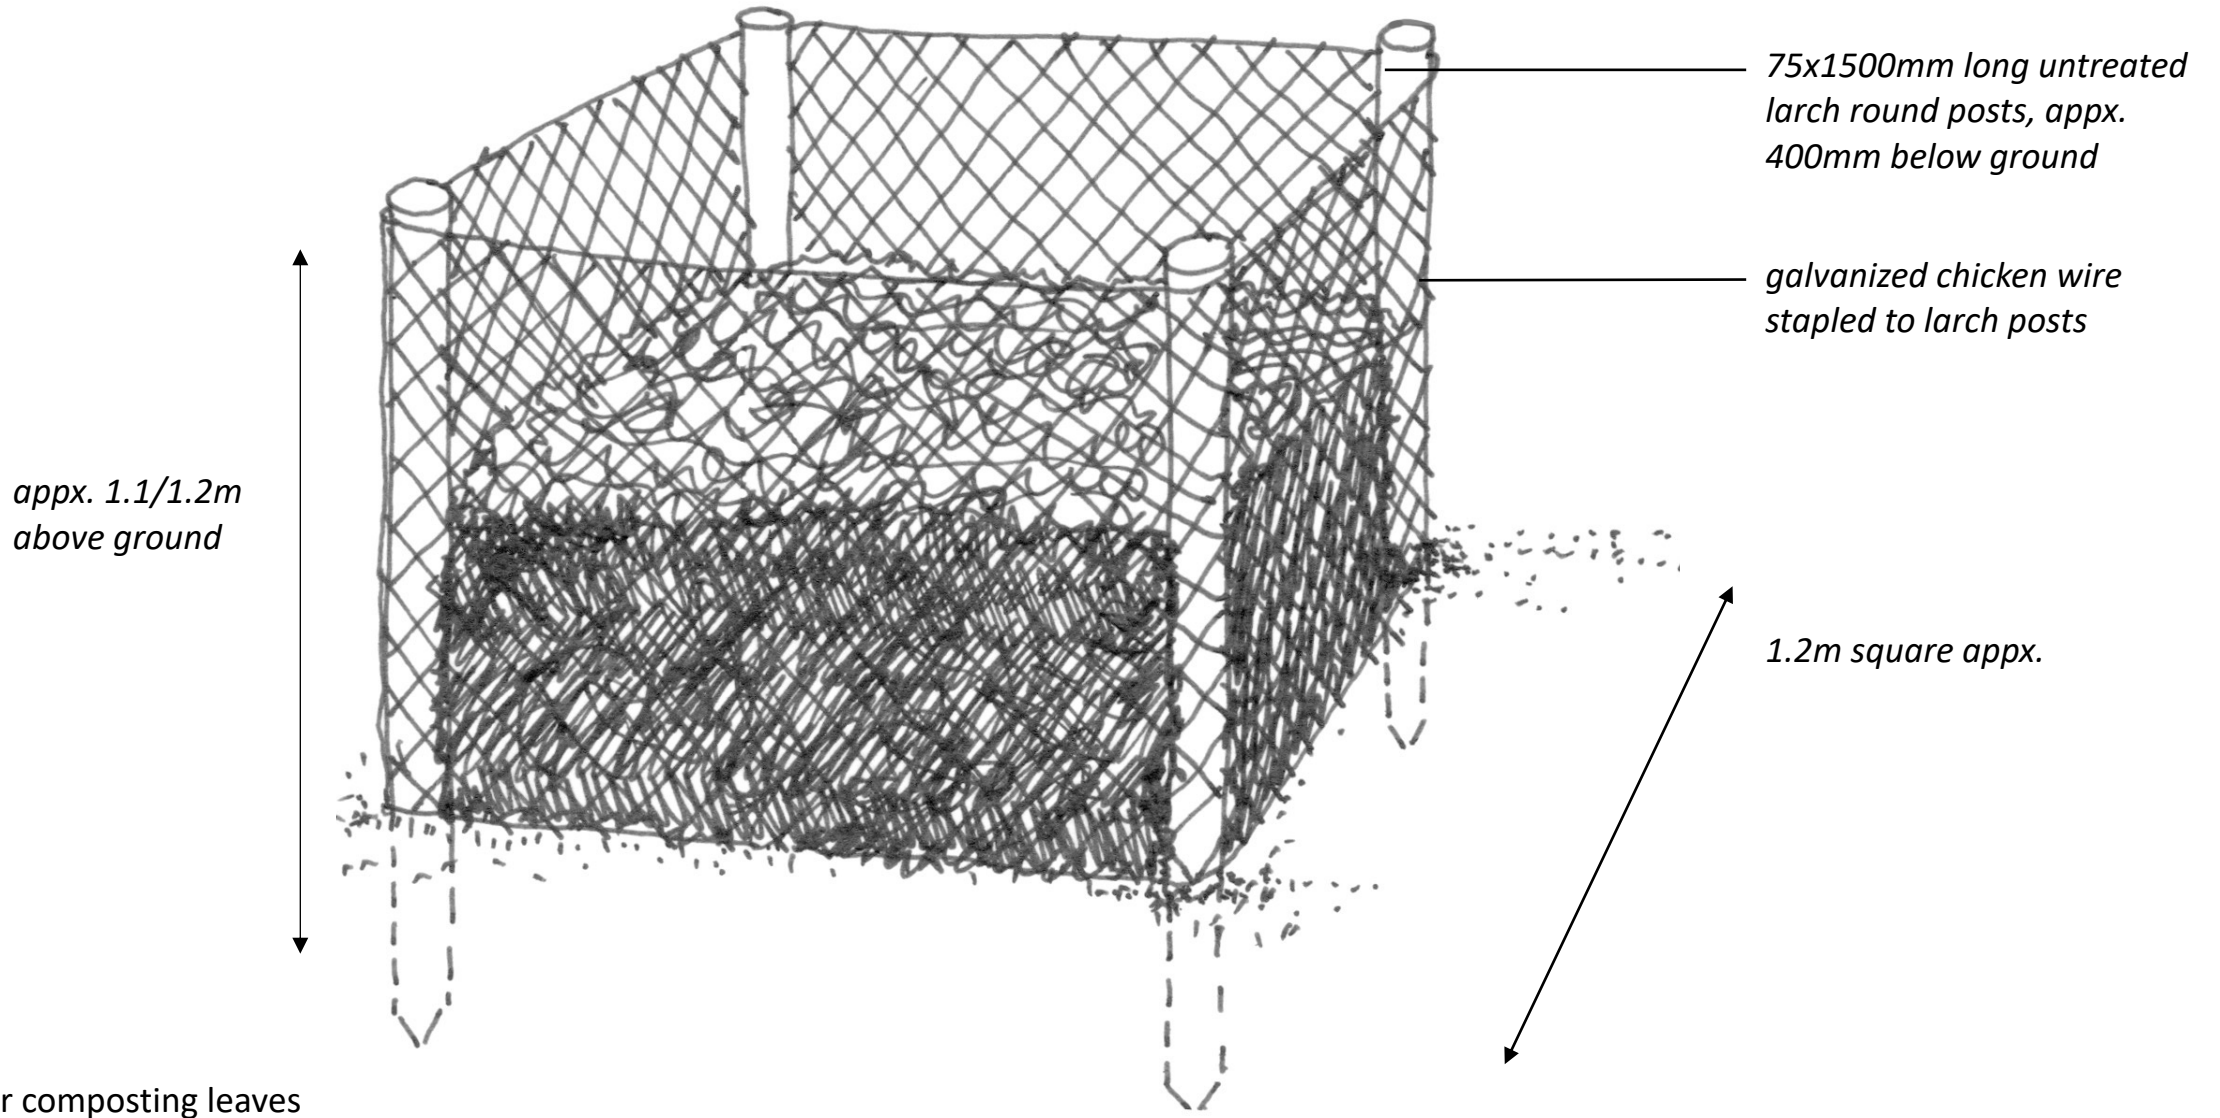

75x75mm treated posts  
(appx. 1.4m high - 400mm  
below ground)

150x19mm boards treated for  
external use

1.2m square appx.

Better for composting larger garden waste such as prunings and hedge clippings  
Indicative drawing: ideally make two of these for different stages of composting

**Cost of posts + slats appx. £110**

**Cost of posts + galvanised chicken wire appx. £43**
